This 3 bed 2 bath +bonus, one owner home, is ready for a new owner. Limitless potential for you to add your own touches and have fabulous space! The garage was previously converted to a great huge bonus space. A child's play fort (as is) is located in the backyard. There are privacy trees that separate the backyard from the Elementary school. This is very convenient if needed. The kitchen has a walk in laundry room and a walk in pantry. Also a breakfast bar overlooks the family room and will hold 4 bar stools. The Seller is motivated and ready for an offer. This is an as-is sale.
